

**Grade 2 - Descriptive Writing:**

*The Grade two's were focusing on adjectives for the first few weeks of term. They have brainstormed adjectives to describe a character from a popular children's book and wrote some descriptive sentences about them.*

*Thank you Grade two's, what wonderful work they have produced.*

GEORGE'S GRANDMA - BY 2T

George's Grandma is the ugliest, oldest woman in the world and her mouth is like a dog's bottom. She is a lazy bones sitting in her chair all day. She is as lazy as a slug. She has a bad habit of eating bugs. She hasn't had fresh breath in 20 years. Her teeth are as black as night. She is really, really rude to George.

*By Oliver*

George's Grandma is really old and she lives with George and his mum and dad. She has a wrinkled up face, pale brown teeth and her smile is very icy. George does not like her because she is very bossy to him and sometimes she thinks she is the boss of the house. I am glad she is not my Grandma because she has a very bad tone and smells gross.
