WHAT'S BEEN HAPPENING IN GRADE 4 - ASSEMBLY

The Grade 4 students sang their hearts out at Assembly. They did a great job and sang with enthusiasm. The songs they sang were:

“The Gypsy Rover”

“My Dad Snores”

“Home Among the Gumtrees”

I think it went really well apart from missing a verse of 'The Gypsy Rover'. All the songs were great but I liked 'My Dad Snores' the best. One of my favourite parts was the solo at the end where me, Toby, Olivia H and Olivia C did 'Skip to my lou'. - *Jake D - 4W*

It was really exciting and I enjoyed it a lot. I think it was fun to perform in front of other students, teachers and parents. My favourite song we sang was 'Home among the gumtrees'. Altogether I thought it was a great success! - *Amelia T - 4W*

It was really exciting to be performing in front of all the school! My favourite part was when they did 'Skip to my lou'. - *Paige C - 4W*

I was sitting in the front row. It was sort of fun. I got a bit suspicious when Mr Williamson said " Do you twins want to do 'Skip to my lou' in front of the whole school?" I was happy to do it(sort of). Once we got to do our performance I had fun. Then came the grand finale. Four of us did 'Skip to my lou' in front of the school. At least I did it. My face was as red as a sunburnt tomato one side of me and the other side was dying of embarrassment but I had fun. - *Toby D - 4W*
